LoginID	8287362
Password	13492s8
Passkey	8726522

Test Pattern:

This round will further assess your analytical and problem-solving skills. Be prepared for a set of challenging questions that will help us evaluate your suitability for the position.

## Important Instructions

1. The test is webcam enabled and you are being monitored throughout. **If the webcam is not detected at the time of starting the test, the question paper will not load. Kindly allow the webcam access before the test**
2. Webcam and Internet continuity is needed throughout the test. Ensure there is good internet and power backup available. **The speed of the internet should be more than or equal to 4 MBPS.**
3. Do not press backspace, refresh, or close the window during the online test
4. Do not submit the assessment unless you have attempted all the questions. Test once submitted will not be reset
5. In case of Internet failure, the test will continue to run, and you can attempt the questions without any hassles. As soon as internet is resumed, all answers gets saved automatically
6. In case of power failure, do not panic, restart the test using **the same login information and the same browser**, the test will start from the same question where you had left earlier and all attempted questions remain attempted
7. Usage of Mobile phones, electronic gadgets, calculators are strictly prohibited
8. Any candidate found copying or using any malpractice will be disqualified from the further process
9. Once the test is completed, you will get a confirmation message on your screen

### Submit Failure:

In case at the time of submission, you do not have an internet connection, please do not panic. The unsubmitted answers will be visible on the screen in front of you. Please take a PDF of the answer sheet displayed in front of you, note the below details and send it to [aasindiatechsupport-persistent@aon.com](mailto:aasindiatechsupport-persistent@aon.com)

Best Wishes,  
Team Persistent Systems Ltd.
